

# VERDIA

Flooring Solutions with Durability by Nature

## VerdeCoat® & VerdeSeal®

High Performance Polymer Flooring

### Industrial and Commercial

- Protect your Investment
- Durable Finishes
- Chemical Resistant
- Slip Resistant Profiles

 **SEALFORLIFE**  
Industries

# VerdeCoat® Epoxy Flooring Systems

## VerdeCoat® HPE – High Performance Epoxy

Two component, 100% solids, high performance epoxy floor coating that provides a high gloss, seamless surface that is hard and durable.

**Solid Color, Decorative Quartz or Flake Options**  
**Warehousing, Manufacturing, Institutional**

## VerdeCoat® CRE – Chemical Resistant Epoxy

Two component epoxy that provides improved chemical resistance and additional protection against a broad range of chemicals. Hard, durable and gloss finish.

**Variable Slip Resistance Options**  
**Processing, Manufacturing, Institutional**

## VerdeCoat® UVE – UV Light Resistant Epoxy

100% solids epoxy with improved UV resistance over traditional epoxy coatings. Provides a reduced yellowing high gloss surface that is hard and durable.

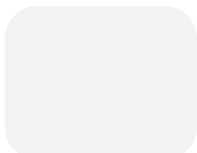

**Solid Color, Decorative Quartz or Flake Options**  
**Manufacturing, Laboratories, Institutional**

## VerdeCoat® TRE – Trowel Resin Epoxy

High performance, durable trowel applied epoxy mortar system. Chemical resistant, impact resistant and long wearing hard floor topping.

**Variable Slip Resistance Options**  
**Processing, Manufacturing, Institutional**

# VerdeSeal® Polyurethane Flooring Systems

## VerdeSeal® HSU – High Solids Urethane

High solids, chemical resistant aliphatic polyurethane coating. Superior color and gloss retention, UV resistance, very low odor.

**Solid Color, Decorative Quartz or Flake Options  
Industrial and Commercial Applications**

## VerdeSeal® HTU – High Traffic Urethane

High traffic, abrasion resistant aliphatic polyurethane coating designed for improved abrasion resistance, chemical resistance and UV resistant.

**Variable Slip Resistance Options  
Industrial and Commercial Applications**

## VerdeSeal® RCU – Rapid Cure Urethane

High gloss, high solids aliphatic polyurethane coating providing fast cure even at lower temperatures with excellent UV resistance. Versatile and easy to use.

**Solid Color, Decorative Quartz or Flake Options  
Industrial and Commercial Applications**

## VerdeSeal® SBA – Solvent Based Polyaspartic

High gloss, 2 component solvent based polyaspartic designed for fast curing applications with UV requirements.

**Solid Color or Non-pigmented  
Warehousing, Manufacturing, Distribution**

# Verdia High Performance Flooring Systems

Polyurethane Concrete Flooring			Benefits	Typical Thickness	
VerdeFloor	<b>IF</b>	Iron Filled Super-Duty	High Abrasion Resistance	3/8"-1/2"	9-13 mm
VerdeFloor	<b>HF</b>	Trowel Applied Heavy-Duty	High Impact Resistance	1/4"-3/8"	6-9 mm
VerdeFloor	<b>SF</b>	Slurry Broadcast Applied	High Increased Slip Resistance	1/4"	6 mm
VerdeFloor	<b>GF</b>	Recycled Glass Filled	Environmentally Friendly	1/4"	6 mm
VerdeFloor	<b>MF</b>	Flowable Smooth Finish	Easy to Clean Surface	3/16"	4 mm
VerdeFloor	<b>SL</b>	Self-Leveling Slurry	MVT Resistant	3/16"	4 mm
VerdeFloor	<b>CB</b>	Trowel Applied Cove Base	Durable Cove Material	3/16"	4 mm
VerdeFloor	<b>TC</b>	Polyurethane Topcoat	Matte Finish Appearance	15-20 mil	.4-.5 mm
VerdeFloor	<b>UV</b>	UV Resistant Topcoat	Gloss Finish Appearance	15-20 mil	.4-.5 mm

Premium Epoxy Coatings / Toppings			Details	Application
VerdeCoat	<b>HPE</b>	High Performance Epoxy	Clear or Color Pack	Primer and Coating
VerdeCoat	<b>CRE</b>	Chemical Resistant Epoxy	Clear or Color Pack	Improved Performance
VerdeCoat	<b>UVE</b>	UV Resistant Epoxy	Clear or Color Pack	Decorative Quartz
VerdeCoat	<b>SLE</b>	Self-Leveling High Build	80 mil Filled Slurry	Smooth Gloss Finish
VerdeCoat	<b>TRE</b>	Trowel Applied Mortar	1/8"- 1/4" Mortar	Heavy-Duty Resurfacer
VerdeCoat	<b>FXE</b>	Flexible Epoxy Coating	Add Color Packs	Impact Resistance
VerdeCoat	<b>MVE</b>	Moisture Vapor Primer	1-2 Coat System	MVT Resistant Primer

Polyurethane Topcoats / Sealers			Benefits	Application
VerdeSeal	<b>HSU</b>	High Solids Polyurethane	UV and Gloss Retention	Over Epoxy Systems
VerdeSeal	<b>HTU</b>	High Traffic Polyurethane	Abrasion Resistance	High Traffic Areas
VerdeSeal	<b>RCU</b>	Rapid Cure Polyurethane	Fast Cure and UV Stable	Decorative Quartz
VerdeSeal	<b>SBA</b>	Solvent Based Polyaspartic	Fast Cure and UV Stable	Commercial
